"UNIQUE AND ORIGINAL"

These are two terms that come to mind as I think of the Class of 1986. Striving to set ourselves apart we've brought Pioneer High School such events as the first "Sadies goes Athletic" Dance, and the memorable BB-Boys. We've shared 4 years of our lives and through them we've seen and done unforgettable things.

Working hard to make it a better year our class council had such fund raisers as: The Welcome Dance, Valentine Balloon Sale, and Carnation Sale. We also organized special events such as Senior Mother-Father Tea, and the Senior Breakfast.

Our high school years served as great memories. Our friendships along with our moments of excitement will never be forgotten. We're going out with a boom 1986! What has made everything worth while is that the Awesome are leaving with the Awesomest; Mr. Eicholtz, "Our Honorary Senior."

Best Wishes,

Elizabeth Enriquez

TO OUR HEAD TITAN

On behalf of the entire student body and staff at Pioneer, the annual staff takes special pride in dedicating our yearbook, the Torch, to our very special friend, educator, and principal, Mr. Robert L. Eicholtz.

When Mr. Eicholtz took command of Pioneer in 1979, we were unsure how the two merging schools, Sierra and Pioneer, would blend, or how long it might take. By year's end, we all knew; things here were suddenly very upbeat. We all became part of a school that worked its way to number one in the eyes of other schools and national educators. We won't soon forget how proud and special we felt when Mr. E. received for Pioneer the National Award for Excellence in Education presented by President Ronald Reagan in our gym.

Titans will carry with them the memory of "Santa Eicholtz" passing out candy. Also the excitement we experienced at that big ice-cream bash where everyone could make as big a sundae as they could eat. We will remember our yearly clean campus drive that resulted in trips to Knotts Berry Farm and Magic Mountain. Also the great fun and warmth Mr. E. brings with him wherever he goes, how he dances at all the dances and gets everyone involved. And then there were those special times of individual recognition; when students received a personal note of congratulations or an office visit for doing an excellent job. Every staff member will miss Mr. Eicholtz with his special jokes at the faculty meetings and his continuing optimism and enthusiasm that Pioneer is number 1!!!

With the retirement of Mr. Eicholtz, we Titans are going to miss his humorous jokes, friendliness, his warm smiles and hellos, his caring for his fellow Titans and his dedication to Pioneer. We the seniors feel fortunate for having our head Titan graduate with us, the Class of Eighty-Six.

GOOD-BYE AND GOOD

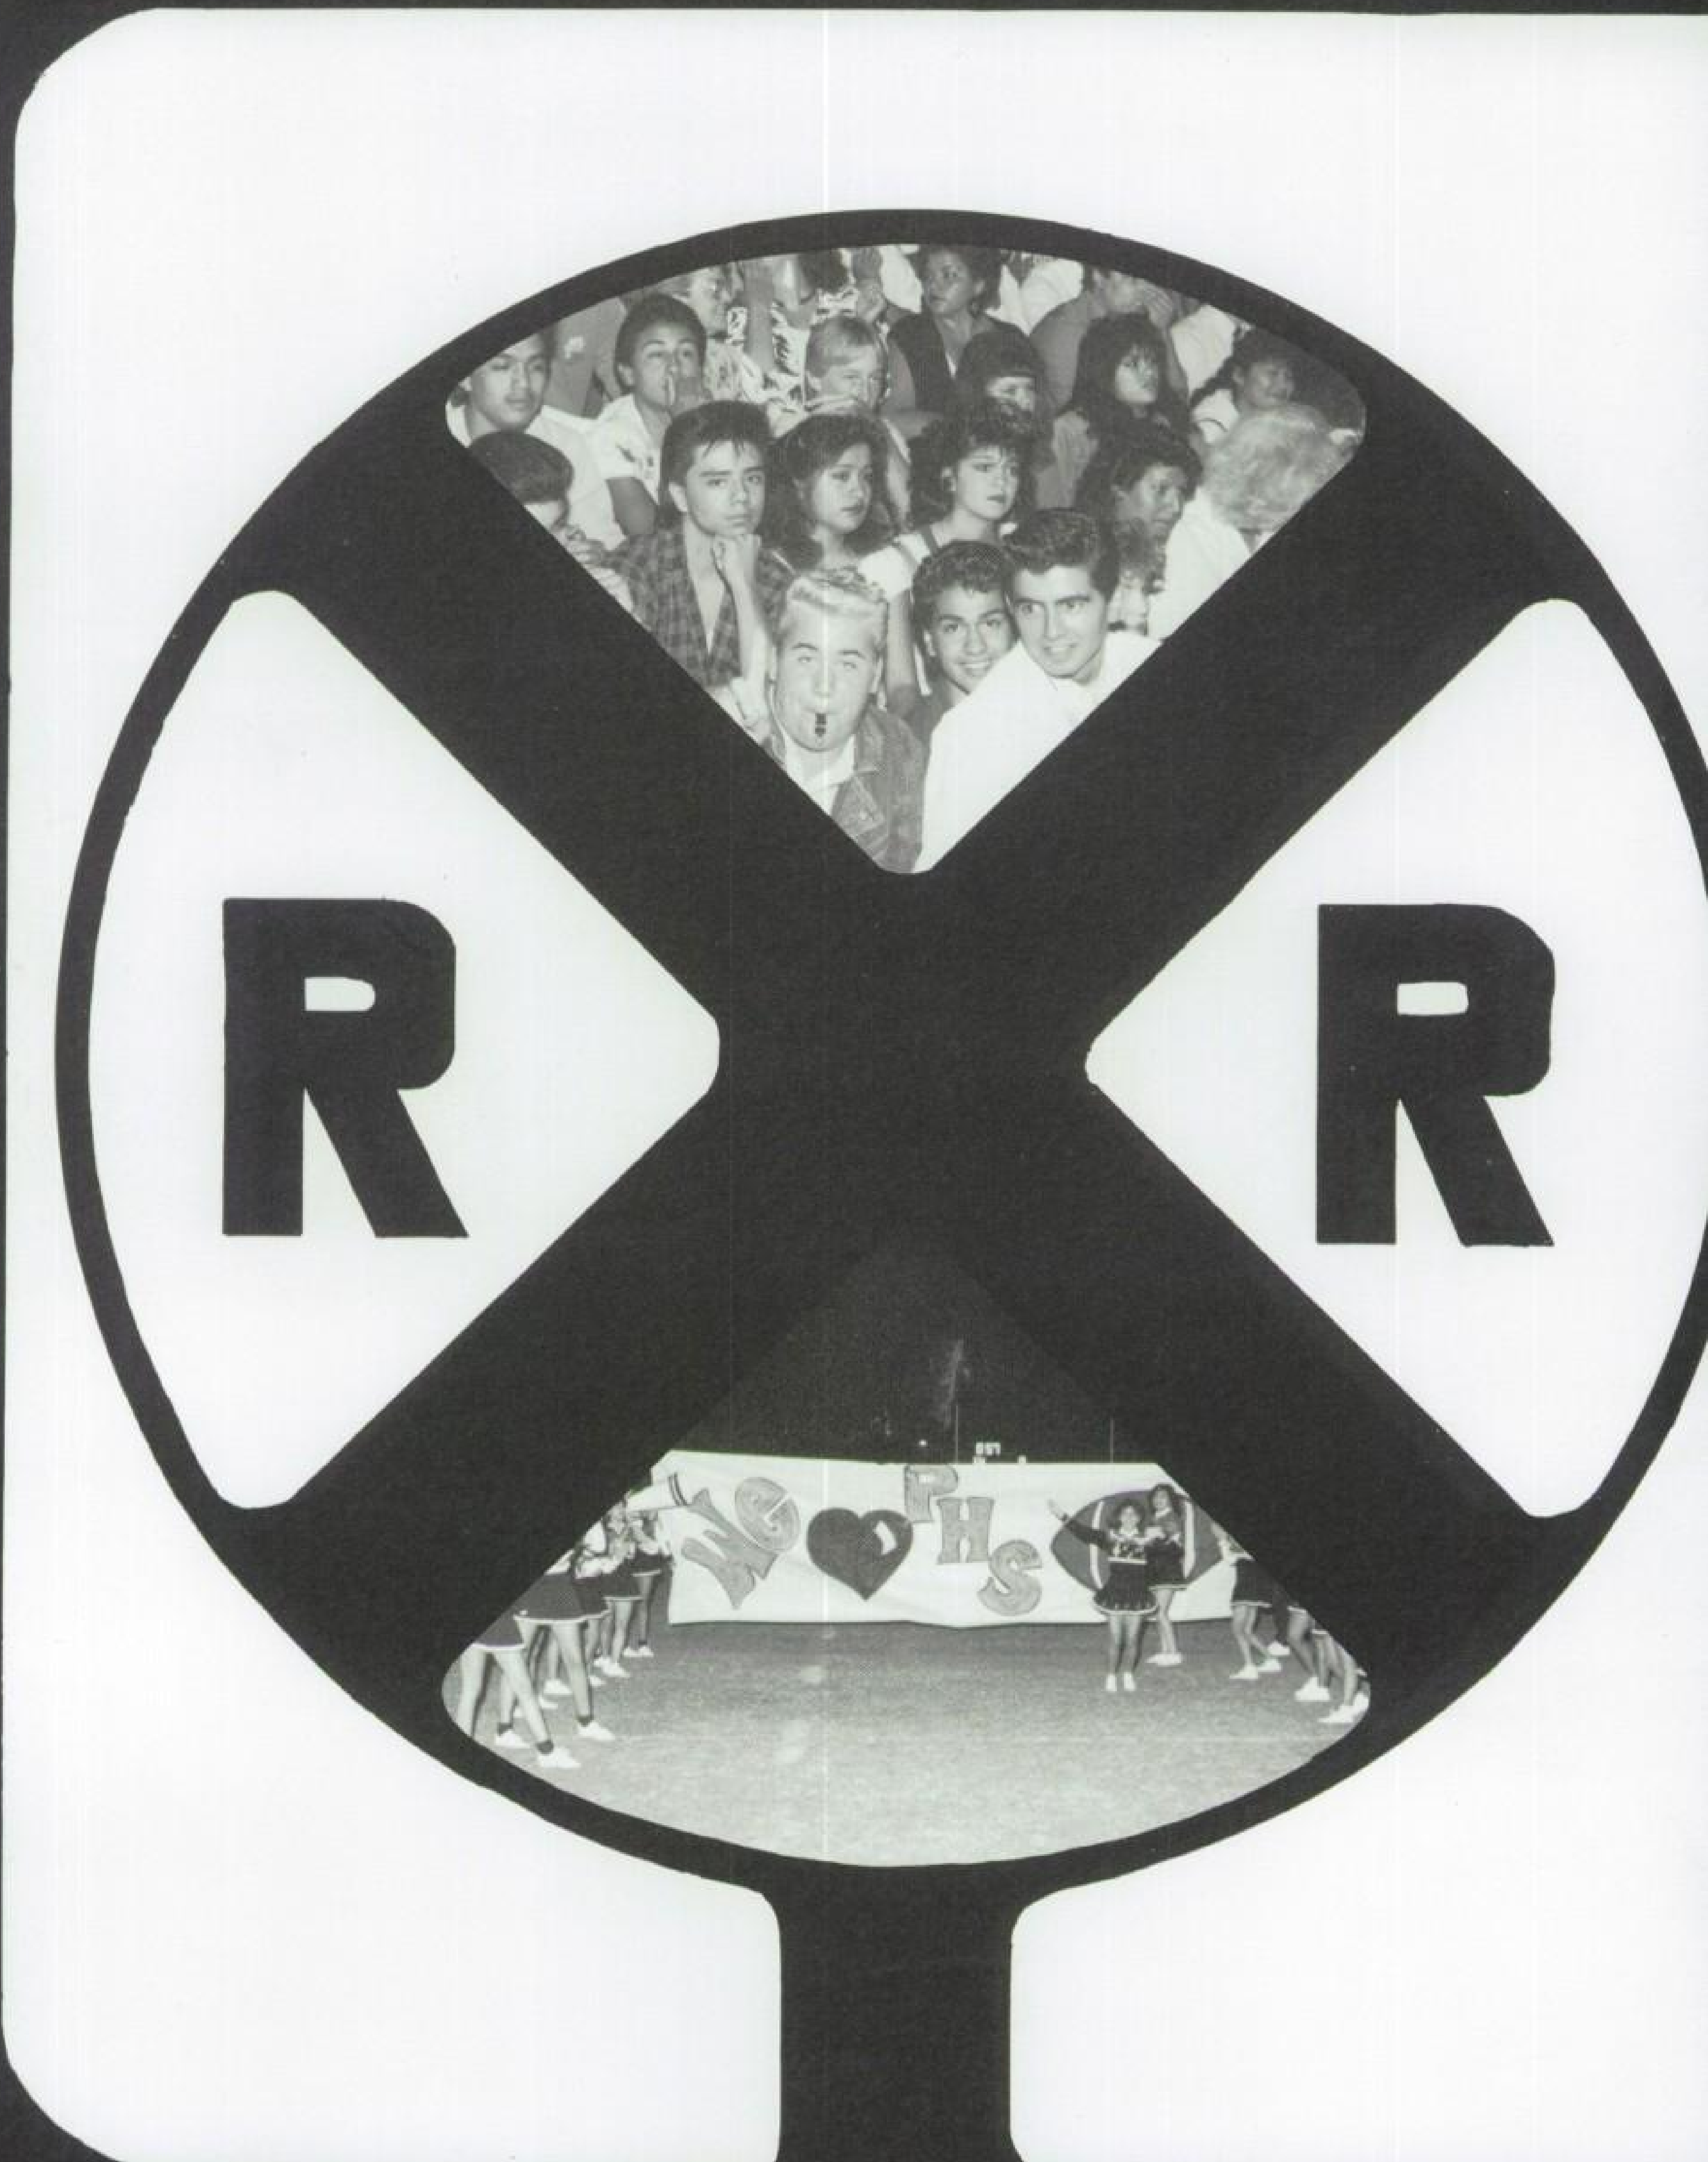

LUCK . . . MR. EICHOLTZ!!!

THE ROAD HOME

Julie Hernandez was crowned homecoming Queen before a cheering audience of enthusiastic Titans on Nov. 1. Pioneer began a new tradition by choosing a homecoming King. Our first king was Albert Rodriguez. The princesses were escorted by their fathers or a close friends. Princes were accompanied by their mothers. The homecoming event was emceed by Bernadette Perez and Jamie Wayde.

1985-86 homecoming court consisted of Queen Julie Hernandez and escort Eddie Duran, King Albert Rodriguez and Mrs. Gloria Rodriguez, Princess Liz Enriquez and Mr. Chris Enriquez, Liz Red and Mr. Gerardo Red, Sandra Dominguez and Mr.John Garcia, Patsy Rios and Mr. Benny Rios, Jeanni Cooper and Mr. Ray Cooper, Prince David Garcia and Mrs. Gloria Garcia, Marc Serna and Mrs. Irene Serna, George Cendenjas and Mrs. Eva Cendejas, Gilbert Lopez and Mrs. Carmen Lopez, and Mike Hernandez and Mrs. Katherine Hernandez.

CHRISTMAS DANCE

The annual Christmas Dance was held in the Boy's Gym on the cold crisp night of December 13, 1985. Sarah Salvador was crowned on this special occasion by last year's Queen Sandra Dominguez.

THE ONLY ONE

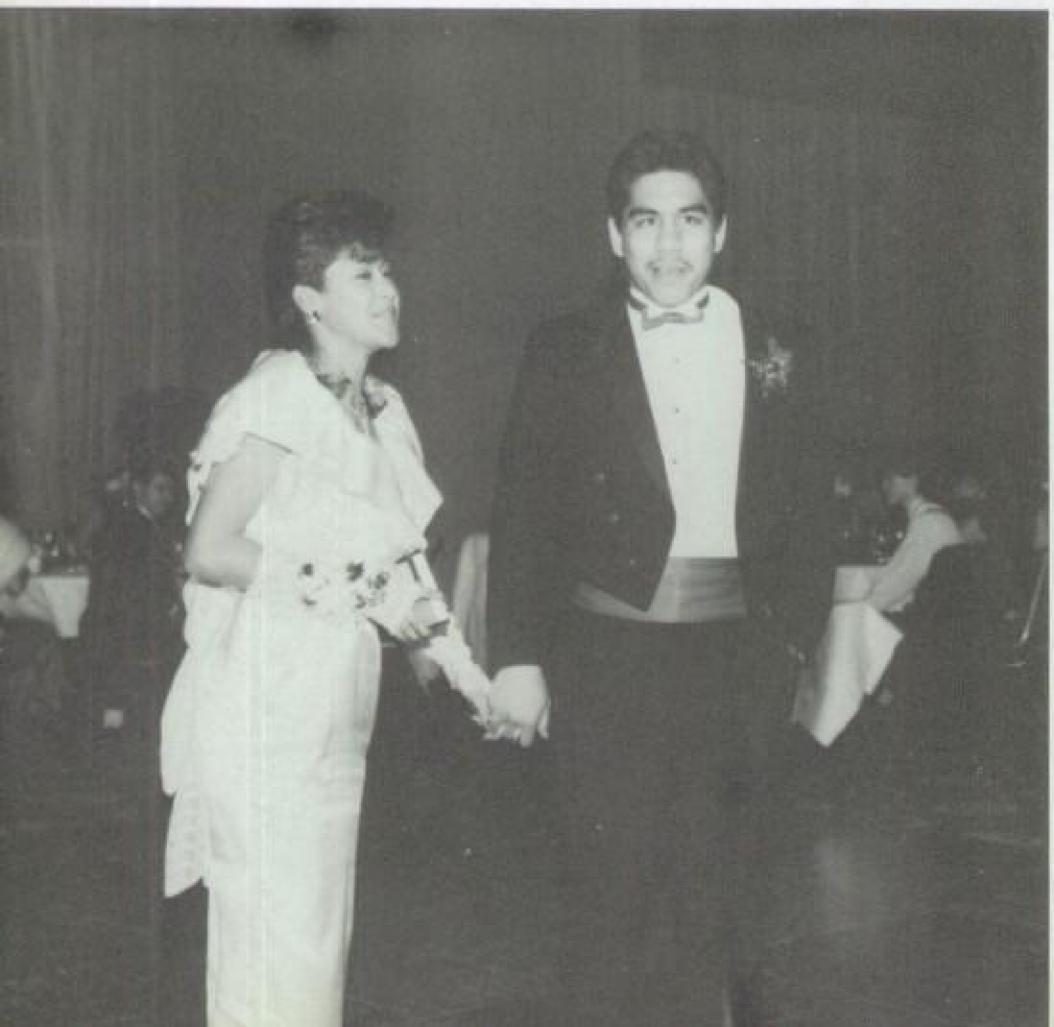

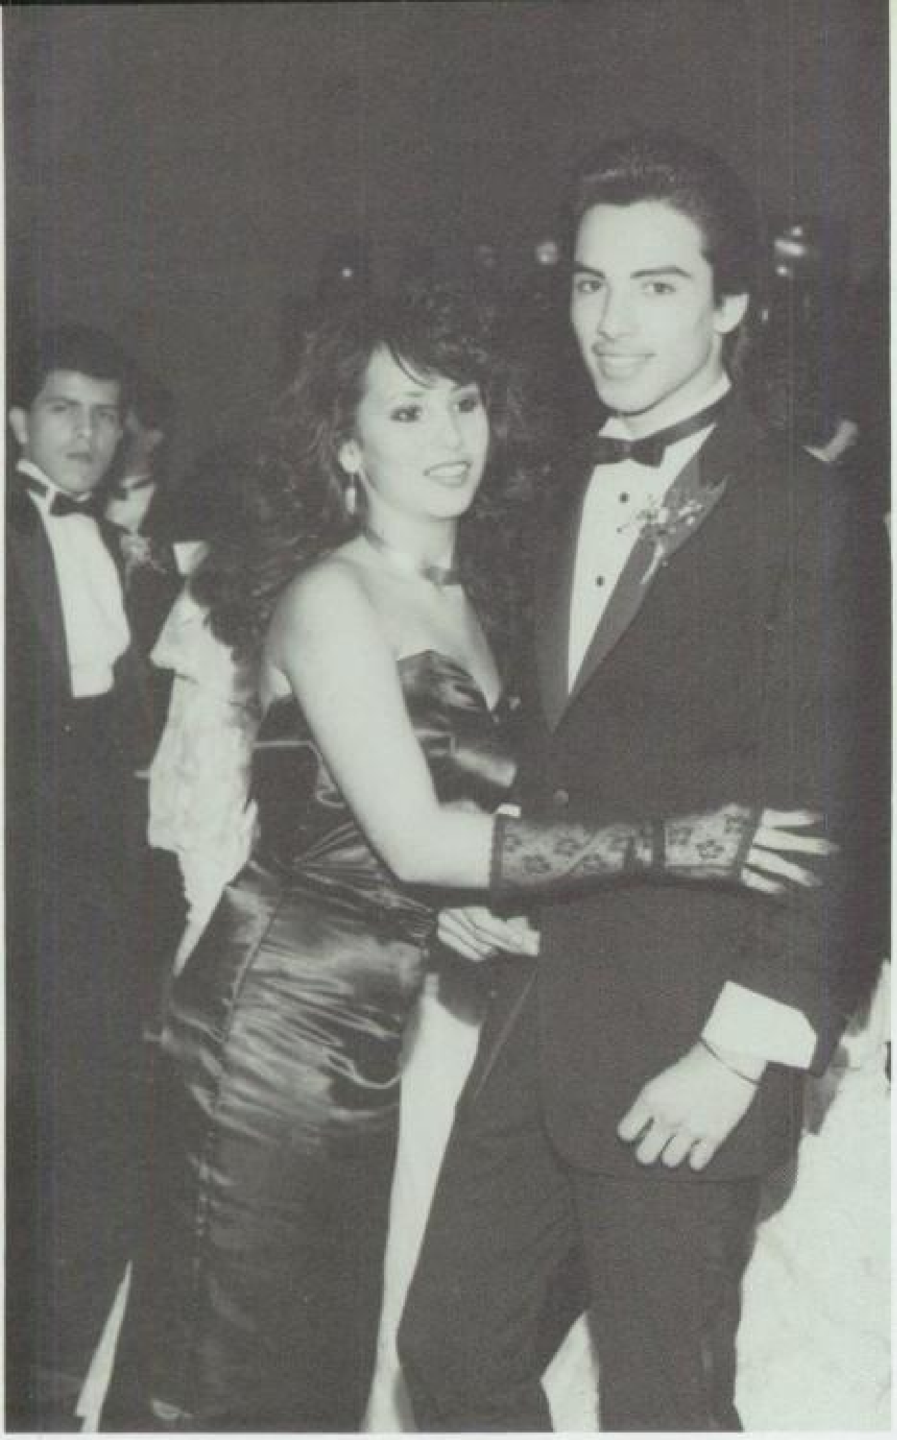

On January 18th at six-thirty p.m. one of the most special dances at Pioneer was held. The Girls League Winter Formal. The Hyatt Edgewater Hotel in Long Beach, was the place, and the music was provided by the Dream Boyz. The theme "The Only One" was the feeling that each girl felt with her date that night. As people walked in they saw the beautiful setting of the hotel lobby, then up the stairs was the dining room and balcony outside where everybody really enjoyed themselves!

MOTHER DAUGHTER DESSERT

The dessert this year was held on November, 20. The theme was "Remember the Days." Girls League wanted all the mothers to remember back to when they were teenagers.

Drama put on an excellent musical performance called "Grease," and the Titan Tones sang old medleys. It was a great success.

WHO ARE YOU??????

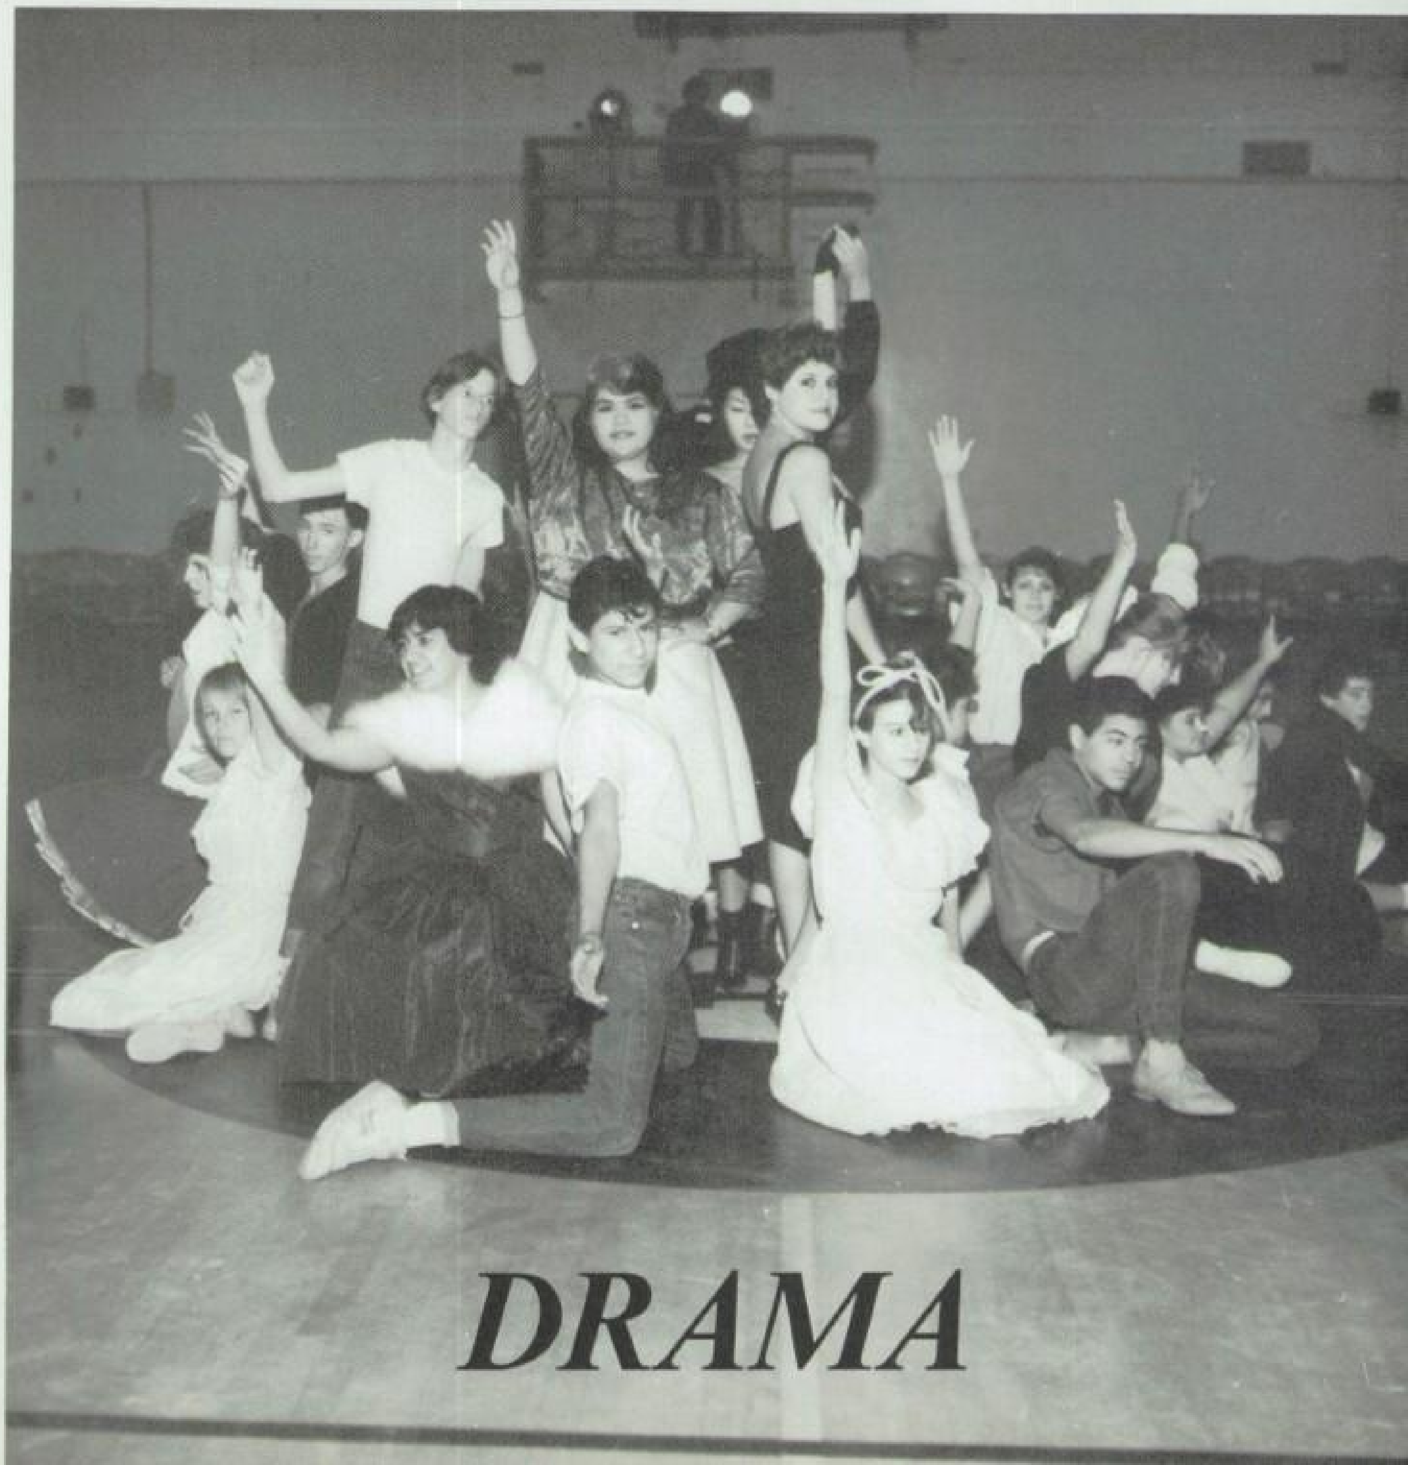

The Drama Department is involved in many different activities throughout the year. These activities included The Southern California Fall Festival, where a Pioneer student with her dramatic monologue made it to the finals. They also presented a short version of GREASE for the Mother Daughter Dessert. Another presentation was the Festival of Scenes, which involved many difficult scenes and monologues. To end an action packed year the drama department performed a very serious and controversial play about the problems teenagers face with parents, teachers, and with themselves. This play was entitled HERE AND NOW.

MUSICAL TRAIL

The 1985-86 choral groups played an important part in demonstrating Pioneer's musical talent to this community and through out the county. Besides the annual Christmas concerts they presented two concerts during the spring and attended choral festivals.

The Titan Tones presented programs to service clubs, retirement homes, and churches in Whittier and other outlying communities.

ACADEMIC DECATHLON

OMEGA

HIGHWAY TO VICTORY

In November, Pioneer High School sent a team of nine students to participate in the Los Angeles Academic Decathlon. This event called together schools from all over the county to participate in ten academic events. This included speech, math, literature, fine arts, and economics to name a few. The highlight of the days competition was a Super Quiz. This year's theme was centered on Immigration. Pioneer's team took the most awards of all the schools in the Whittier District. The event offered recognition and competition in mental activities.

Daddy-Daughter Dinner

The second annual Daddy-Daughter Dinner was a big success featuring entertainment by the Drama Department and the Titanette Drill Team. A game similar to the Newlywed Game was played, daughters were quizzed about their dads and dads about their daughters. Christy Rue and Mr. Rue were the winners.

The Road to Success

Varsity yell, led by Liz Enriquez, was awesome! This nine member squad took sweepstakes in every competition entered! They amazed those who watched them. Their moves and mounts shined as they performed. It's been many years since Pioneer has had a male on a pep squad. This year Robert Denny showed his Titan pride and made it a year to remember for the squad.

Jannie Cooper led these outstanding performers to a rewarding year. Song did a great job at Hibbards camp where they took first, sweepstakes and the spirit jug. The squad also performed at Band Jamboree where they placed third. United together they showed their many styles and talents for the year 1985-86.

AS THE ROAD TURNS

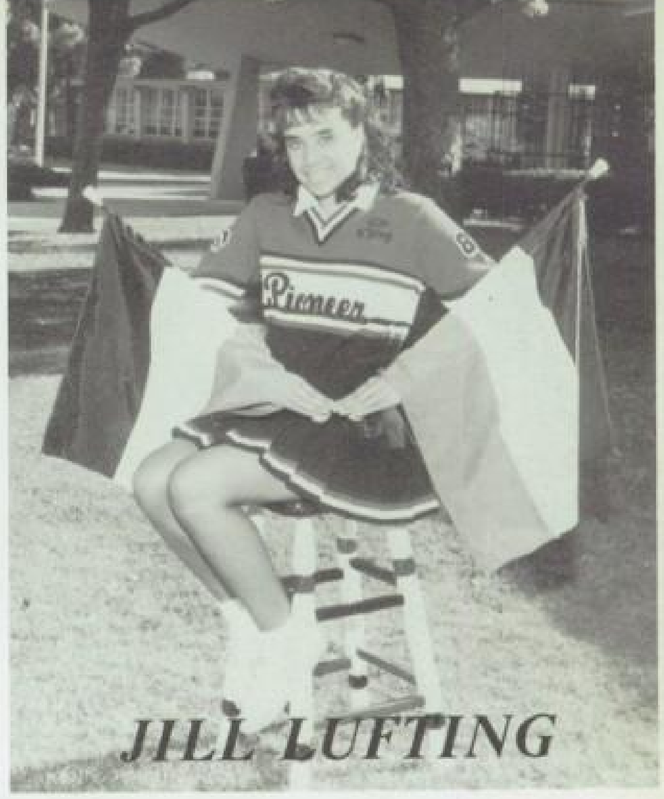

Twirling their flags this flashing squad led by Rosalinda Merino had an impressive year. At summer camp the flagsters took first, and sweepstakes. This outgoing squad really knows how to show Titan spirit. They worked very hard for their performances and it all paid off for these young ladies. They kept our spirits high with their brilliant performance.

Blow Your Horn Titans!

Our 1985-86 Titan Band, directed by David Barron, upheld the true Titan tradition, bringing lots of recognition to Pioneer by placing 2nd at Buena Park, and 2nd at Jamboree. In addition to spectacular field shows, the Tall Flags rose to the top by placing 1st at Jamboree, 1st at Oceanside, and 2nd at Artesia. Flag Instructor Chris Salazar prepared them well for these accomplishments. All in all, the Band is what makes Pioneer Number one!

PIONEER V. TEAM

Mr. Garcia was proud to be coach of this young team, that consisted of seven juniors, three sophomores, and one freshman. He said that with all the returning players he can build the talent, and have a winning team next season. The year of 85-86 went pretty well, with six wins and eight losses. Four players make it to the league finals. Tammy Apodaca made it to the second round for the singles. Tanya Medieros who also made it for singles, Tanya Dlugatch and Jennifer Carman who made it to the finals for the doubles team.

ON THE ROAD TO RICHES

The Junior Class of 85-86 had an exceptionally successful year. With the never ending help of people such as Advisor Mrs. Panagoes, President Maria Hernandez and contribrutions made by Mr. MacDonald the road to riches was a smooth one for Junior Council. The two main activities Council sponsored this year were Homecoming and the Prom. Maria Hernandez was quoted as saying, "I was extremely proud to have help from such an outstanding Council, I don't know what I would have done without them."

THIRD BEST IN THE U.S.A.

The Titanette Drill Team did an outstanding job at the Miss Drill Team U.S.A. competition. Pioneer placed third in the show division. This year's Titanettes were the first ever to perform in the L.A. Sports Arena. It was an exciting moment when they received a standing ovation.

THE

HI WAY

ENGINEERS

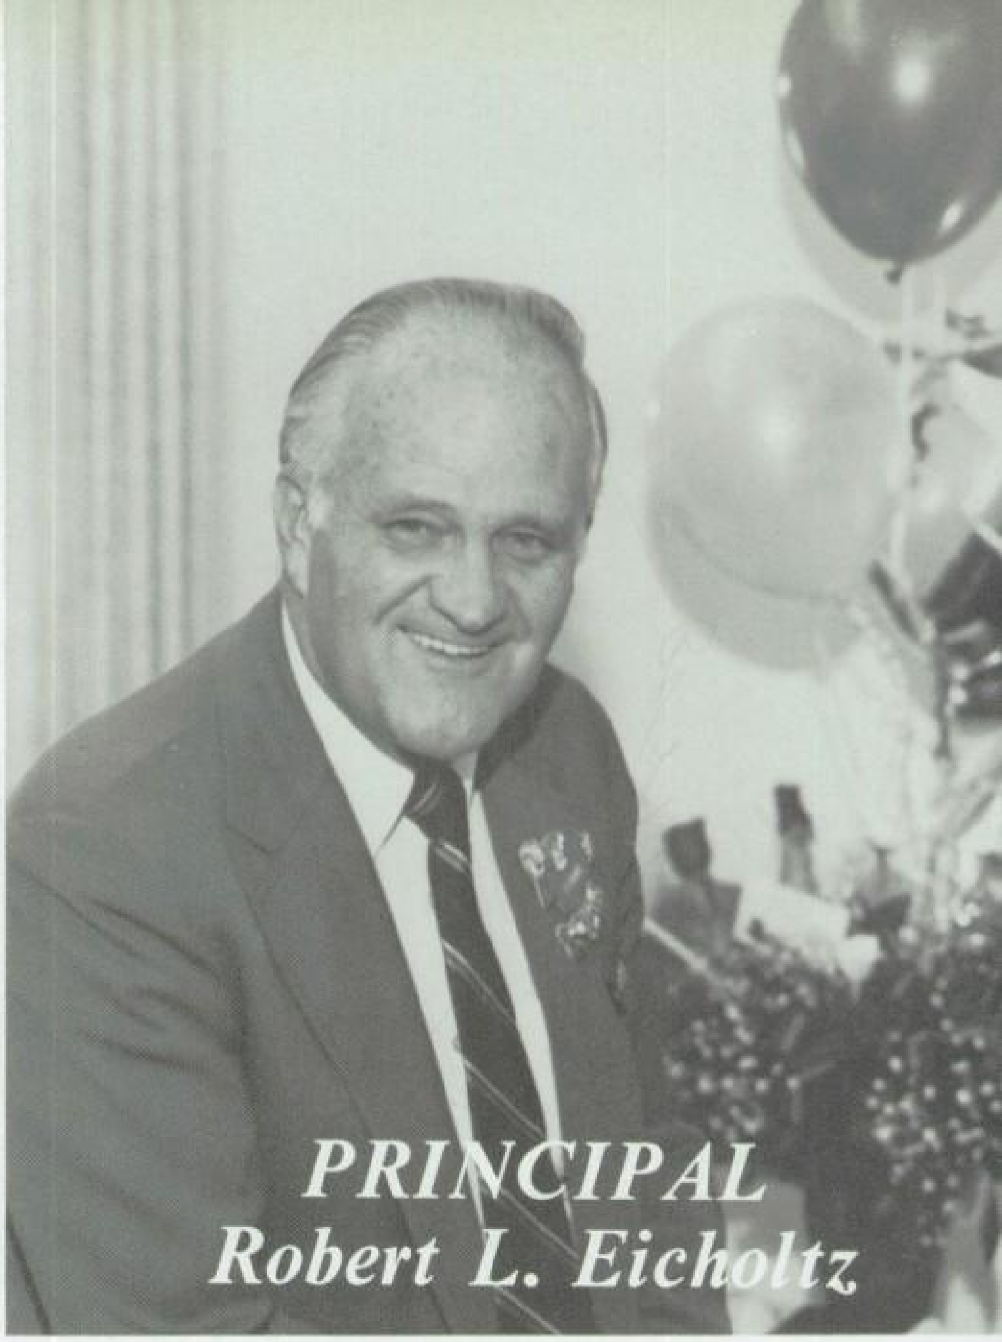

CHIEF ENGINEER

The road of life is challenging, exciting and can be most rewarding. The journey, with all of its obstacles, frustrations and triumphs, often times provides more excitement and satisfaction than what is found at the end of the trail.

Although life today forces us to travel in the fast lane in order to survive, we need to remember that it's our association with other people that makes the trip so worthwhile. I leave Pioneer with mixed emotions. I am extremely proud of what we have accomplished together; developing Pioneer into one of the finest schools in the country, and a school where such strong feelings of love, pride, and family exist. At the same time, I will deeply miss the finest students, staff and parents who have given so much to make Pioneer what it is today. The Pioneer experience has been the highlight of my professional career and I will take nothing but good memories with me into my retirement.

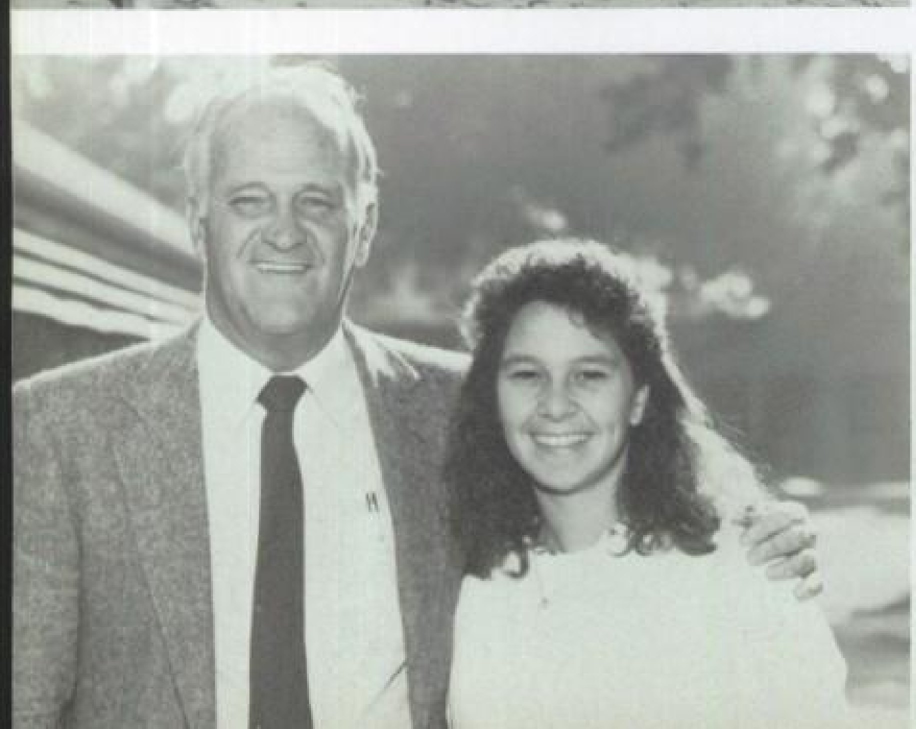

My hope would be that each of you sets your sights high, with the firm belief that you can accomplish anything that you want to in life, as long as you are willing to make the necessary sacrifices. For those who will be here next year, I ask that you take pride in your school, continue to care for each other and do the things necessary to maintain Pioneer as one of the finest high schools in the country.

I wish all of you happiness, success, good health and remember . . . we are Titans forever!

ROUTE '86' — ROAD CLOSED

Well its that time many people hate to face, time to move on again, to face new and bigger things, to travel on a different road towards our destiny. To leave behind our beloved school, "Pioneer," with all our teachers and friends that helped us become what we are now.

Pioneer High School became such a common everyday experience we don't even think twice about it. But remember, as freshmen how we saw HIGH SCHOOL in a totally different way? "Wow!" was the only thing we could think of when we saw 2000 scurrying bodies dealing with the hustle and bustle of getting to their classes the first day of school. And how embarrassed we felt only recognizing 10 people! Now after four short years, Pioneer has become a treasure to our hearts.

Remember all those terrific parties we used to go to? we wore our High tops and fluorescent shirts? What about that great cruise down Whittier Blvd. on weekends? Now it's all about grabbing that can of hairspray, and going out to D.Q.'s, Brandies, 321, or Florentine Gardens.

A lot has changed since our first couple of years in high school. How many people do you know with a cabbage patch kid or a disco-made cassette instead of an album? How many cars and trucks do you see now'a-days that are custom designed and have high performance?

Lets look ahead now for that great career you've been headed for. Electronics? working with technology? maybe computers? Hey what about being that nurse, fireman or that policeman you always wanted to be when you were a kid, I guess it's just not that way any more — huh?

We think, "How could I have done it without Pioneer?" Now we thank our school for giving us the opportunity to grow, learn and love one another and become a close knit family. Looks like lots of things are very different now. Just think "Hey, I'm a senior!" and just yesterday I was that little punky freshman.

REMEMBER WHEN?

OUR FRESHMAN YEAR: Our pepsters took 1st place at Magic Mountain. When rock-a-billies and mini-skirts were in. We had the K-Rock dance with Richard Blade as the "DJ." We received the honor of having President Reagan visit our school and naming us exemplary in academics!

OUR SOPHOMORE YEAR: The popping craze was in along with Michael Jackson, head bands and scarves. A common thing to see was a DJ playing at lunch.

OUR JUNIOR YEAR: Madonna and Prince rose to the top of the charts. When scooters were hot on the streets. When L.A. hosted the Olympics and our drill team was honored by the request to participate in the opening ceremonies. The wearing of lace gloves was popular. We had all those Madonna Wanna-be's.

OUR SENIOR YEAR: We had our first Homecoming King. We first heard that Mr. E., our head titan, would be retiring. The great four day weekend because of the power failure. The soul of the entire world was moved by the news that our astronauts were killed in lift off. "They just didn't reach the moon, they reached the stars." Mr. E. threw a big ice cream bash for all his titans. The fads of earrings in noses, high heels with band-aids, the Sheila E. look for the girls, and the Miami Vice look for the guys. Drill Team won sweepstakes at Jamboree, and also took 3rd place in the show division at Miss Drill Team U.S.A.

So here we are at the end of our last year with all the traditional events behind us and ready for new paths to explore.
